

**2020 Fees for Participating Corrugated Metal Pipe (CMP) Manufacturers**

Each participant of the NTPEP Audit Program will be responsible for paying the following fees in 2020:

- Quality Management System Review Fee- **\$1000.00**  
 Fee includes: A complete desktop review of all requirement procedures and documents as noted in the current NTPEP work plan. This desktop review will be completed prior to your on-site audit.

Or

- For those plants who began participating in the program in 2019 or earlier: Quality Management System Review Fee- **\$500.00**  
 Fee includes: Review of plant documents (Quality Manual, Standard Specifications, Training and Competency Evaluation Records, Equipment Calibration Records, Certificates of Analysis, Physical Test and Raw Material Test Results, etc.) to ensure your plant is in compliance with the approved NTPEP work plan for CMP.

- Website and Document Management System Fee- **\$1512.50**  
 Fee includes: website maintenance and administrative documentation updates, document uploads (includes final Audit Report, results from Desktop Review, comparison sample test Reports, Quality Manual, Compliance Certificate, and National Compliance List for CMP manufacturers) as well as any additional system enhancements.

- Audit Fee- **\$3027.50**  
 On-site audit consists of a yard inspection, manufacturing process evaluation, review of AASHTO/ASTM test methods, demonstration of quality control tests, traceability of final product back to its required documentation, collection of comparison samples for third party testing.
